Matt Panos, Vice President
Ministry Partnerships and Resources
Food for the Hungry
1224 E Washington St
Phoenix, AZ 85034

Dear Matt,

In light of the devastating earthquake that has hit the country of Haiti last week, the congregation of Scottsdale Bible Church has taken up a special financial offering to be used to bring physical, spiritual and relational relief to those affected in Haiti. It is our hope that through these financial resources your staff and ministry partners might be better equipped in responding to the crisis we are all concerned about.

In a show of support unprecedented in the history of Scottsdale Bible Church, our people responded to the call presented last Sunday by giving \$135,000 toward the current need in Haiti. Our gift total includes \$6,000 of checks that were directly made out to Food for the Hungry and already presented. It is now to you that we entrust these God-provided funds to be His hands and feet on the ground in Port-au-Prince and the surrounding areas.

Please know that our prayers go with this gift. Please know as well that our Church believes deeply in God's work in and through Food for the Hungry.

It is our joy and pleasure to partner with you in doing all we can to help those in need.

On behalf of the members and friends of Scottsdale Bible Church,

Jamie Rasmussen
Senior Pastor

Thomas Sharda
Executive Pastor
