The Witness of God's People | *I Peter 2:11-12*

Jamie Rasmussen, senior pastor

MAIN POINT: Actions speak louder than words and it's a great way to share your faith (2:11-12).

I. Humble, righteous, God - glorifying action is very hard to ignore or argue against.

II. God has promised to inhabit our godly and other-centered actions and use them to build His Kingdom.

III. It is important to protect your heart, mind and body as you seek to do good and act righteously.
