How and when do I pay my deposit?

Deposits are required and are generally due within five days after you've made your reservation. Final payment is generally due no later than 75 days prior to departure. You will make your deposit and final payment with The Roaming Boomers Travel Services with a Visa, MasterCard, American Express or Discover.

Can I extend my vacation?

Yes. Holland America Cruise Line features special pre-or post-hotel packages that allow you to extend your vacation in either your port of embarkation or debarkation. Some of the world's greatest travel highlights are within reach, both before and after your cruise.

What can I do in port?

You can explore on your own or take a guided tour (referred to as shore excursions). Holland America Line offers a wide variety of shore excursions to fit your lifestyle, ranging from easygoing activities to high adventure. Each of our tours provides the highest level of quality, safety, convenience and value. Once you have booked your cruise, you can easily book your shore excursions online; we recommend you book early for the best selection.

Is motion discomfort a problem?

Rarely. Cruise itineraries ply some of the calmest waters in the world. In addition, there are stabilizers on modern ships. You will be sailing the Inside Passage of Alaska, which is usually very calm. If you are prone to motion sickness, a midship cabin on a lower deck is the best location.

What should I pack?

Pack as you would for any resort. Cruise vacations are casual by day, whether you're on the ship or ashore. The suggested attire for most evenings is resort casual—slacks and collared shirts for men and casual dresses for women.

What will the weather be like?

Average temps for Juneau, Alaska in July are high 63 degrees and a low of 49 degrees.
