

As we excitedly plan for the SBC North Ridge campus launch, we've completed a thorough and honoring process to determine the staff team who will serve with us beginning in January. Every member of the current NRCC staff is quite excellent, and we have met with and prayed with each one about their role. For the few who won't be continuing with us, we have been generous with offering salary continuation and benefits. Following is a recap of the team that will carry SBC North Ridge forward beginning January 1, 2019 (Note: some titles are still a work in progress):

Kevin Yule, Campus Pastor

Kevin Yule is the current Men's and Marriage Pastor for Scottsdale Bible Church and is a gifted teacher who periodically fills in for Pastor Jamie as the weekend communicator. Kevin earned his BS in Christian Ministries from Arizona Christian University in 2001 and his MA in Biblical Leadership from Phoenix Seminary. He is continuing to work toward completing the limited remaining requirements for his MDiv, also through Phoenix Seminary. Kevin began his ministry career as an intern at Highlands Church, in Scottsdale, AZ, before being hired as their Junior High Pastor in 2001. In 2005, Kevin assumed the role of High School Pastor at Highlands, and in 2009, was asked to oversee the entire Student Ministry department before accepting the role as their Young Adult and College Pastor in 2011. In 2013, Scottsdale Bible Church welcomed Kevin as the pastor providing vision and leadership for our Student Ministries (5th grade through college) as well as direct leadership of our High School Ministry. Then, in 2017, Kevin became our Men's and Marriage Pastor. Kevin and his wife, Brooke, have been married since 1999 and have six children: Madison (age 17), Delaney (age 15), Logan (age 13), Rylee (age 12), Caden (age 5), and McKinley (age 2).

Ryan Heath, Associate Campus Pastor

Ryan Heath is the current Children's Pastor for Scottsdale Bible Church. Ryan earned his BS in Christian Ministries with a minor in Youth Ministries from Southwestern College of the Bible (now Arizona Christian University) in 2002 and went on to earn his MA in Theological Studies from Liberty University in 2011. He is now working toward his MDiv in Leadership and Development through Phoenix Seminary. Ryan began his ministry career as a junior high intern at Arizona Community Church in Tempe, AZ, in 1999, before moving on to hold several staff positions at Canyon Ridge Bible Church (now Grove Bible Church) in Chandler, AZ. While at Canyon Ridge, Ryan served as a Worship Leader, Service Tech, and ultimately as their Junior High Pastor from 2000 to 2002. Scottsdale Bible Church welcomed Ryan in July of 2002 as our Club 56 Director, and then he served as our Junior High Director from 2003 to 2012. In 2012, Ryan became our Children's Ministry Pastor. Ryan and his wife, April, have been married since 2002, and they have two daughters, Emily (age 10) and Callie (age 8).

Bradley Goodin, Worship Ministries Pastor

Bradley Goodin grew up in Olympia, WA. His parents started him playing piano at age 7 and violin at age 9, which grew into a love of learning new instruments, songwriting, and participating in music ensembles. He got involved in orchestra, jazz band, and choir and continued to develop his skills across multiple musical disciplines.

Bradley attended Westmont College in Santa Barbara where he was inspired to merge his passion for the arts with a life of serving God through vocational ministry. He learned to value worshipping God through rich, liturgical traditions as well as through new songs and forms of praise. While in this environment, Bradley met his future wife, Morgan, a fellow violinist and pianist in the orchestra.

After completing his MA in Leadership at Denver Seminary, Bradley and Morgan felt God leading them to move to Phoenix for Morgan to pursue her law degree at ASU. They moved in faith, and six months later a job opened up at SBC where Bradley joined the staff as a Worship Pastor. He and Morgan love hiking, camping, playing fiddle music together, and running half marathons.

Along with support from the SBC Central Worship Ministries team, Bradley will begin in January overseeing and often leading in the North Ridge contemporary worship services on Saturday at 5pm and Sundays at 11am, and enthusiastically leading its choir and orchestra-led service on Sundays at 9am.

Kathy Daldrup, Children's Minister

Kathy has worked in Children's Ministries at North Ridge for more than 20 years and carries a great smile and a can-do attitude into everything she does! Her role is and will be a family affair, as she always involves her husband of 22 years, Steve, and their kids in ministry whenever she can. The good news is that when she calls, they come willingly!

Jordan Burnidge, Youth 7/8 Pastor

Jordan quickly made a great impression on the SBC team with his infectious laugh and great attitude! He came up through the ranks, along the way being part of nearly every ministry except Women's Ministries (!), and then volunteering in most of them. He graduated from GCU with a degree in Christian Studies, and will soon graduate from Phoenix Seminary with a MDiv degree. Jordan looks forward to the collaboration with SBC's Student Ministries department as he launches into this new endeavor!

Spencer Burnidge, High School Pastor

Having been in Student Ministries at two churches already and demonstrating a proven strategy in his short tenure at North Ridge, Spencer was an easy choice to continue on in this important role. He has a degree in Communications and Christian Studies and will shortly finish his MDiv in Biblical Communication. We're excited to see what Spencer will do as we take High School Ministry to the next level! Plus, in just a few weeks he will be married!

Jimmy Guvvala, Groups Pastor

Jimmy has so many degrees that all we'll say here is that Dallas Theological Seminary prepared him well! Having served as a Children's Pastor in a previous church and now carrying forward as our Groups Pastor, Jimmy will continue to love and serve people at SBC North Ridge. From a large family and born in India, Jimmy brings a wealth of experience and perspective that will serve the church well into the future!

Chad Watson, Connections Pastor

As the Connections Pastor at SBC North Ridge, Chad will have the opportunity to connect the gifts, passions and skills of our people with the ministries and people of the church. Also hailing from Dallas Theological Seminary (is this a trend?!), Chad has a Master's Degree in Cross-Cultural Ministry. Chad and his wife, Jill, have four children between the ages of nine and thirteen who keep them on their toes!

Laura Westrope, Worship Ministries Leader

Laura is 'home grown' having been an attender at North Ridge for five years before joining the staff team about eight years ago. Her passion for creating great worship experiences is obvious, and her attention to detail and follow-up is exceptional! In her new role, she will work with the Worship Pastor at SBC North Ridge, and will also serve on the SBC Central worship team, serving at other campuses when called upon. Laura is married to Adam, and they have four children, ages two to fifteen, so they are a busy family!

William Robb, Facilities Manager

After getting a marketing degree and serving in the U.S. Marines, Bill spent 27 years working for AT&T in various capacities. Better yet, he brought all this amazing experience and learning to North Ridge and has blessed the church with his high commitment to excellence, organization and cleanliness for more than 14 years. Bill and his wife, Vicki, have been married for 45 years and have two sons who are well known at North Ridge! Bill and his entire Facilities team will continue to serve SBC North Ridge at a very high level!

Jamie Curley, Executive Assistant to the Campus and Associate Pastors, and Office Coordinator

When we first started to connect with people at North Ridge, the answer to every question seemed to be, "Ask Jamie—she knows everything," and it's proven to be the truth! After spending 15 years in the healthcare industry, Jamie likes to say she transferred to the "soulcare" industry and has served in an excellent way for the last 15 years. In her new role as Executive Administrative Assistant to Kevin and Ryan, she will have her hands full, but we think she is up to the challenge! She will continue to oversee the office as well.

Angela Moberg-Kass, Receptionist/Administrative Assistant

Often the first person you see when you enter the office, Angela does a lot more than greet you at the front door and answer the phones! She will provide administrative help to our less-administratively gifted pastors with a smile, secretly knowing that without people like her, these poor pastors would be lost! She is married to Todd and has three children and Chica, the family pet!

Linda Engman, Administrative Assistant/Receptionist

Having spent 23 years as an attender and working at North Ridge for a combined 18 years, Linda knows a lot about the intricate workings of the church, and will make a great partner for the team at SBC North Ridge! Married to Chuck for 36 years, and having three kids and six grandchildren, Linda is always on the move!

THE FOLLOWING PEOPLE WILL NOT BE JOINING THE SBC STAFF IN JANUARY AND WILL BE MISSED. THEY WILL CONTINUE THROUGH THE END OF THE YEAR:

Robert Payne, Worship Pastor

For the last few years, Robert has been the leader of NRCC's Worship Ministries department and has brought a great sense of team and commitment to both his volunteers and the needs of the church. Although he won't be continuing with SBC, Robert plans to serve through year-end and looks forward to the Christmas season and all it has to offer our church and community. SBC has offered Robert the opportunity to continue receiving compensation and certain benefits as he and his family prayerfully seek God's direction for his next endeavor. For some who know that Robert led the choir and orchestra with excellence, be assured that SBC has every intention of carrying both of these elements well into the SBC North Ridge future!

Tori Childress, Preschool Coordinator

To many at North Ridge with small children, Tori has been the smiling, energetic leader who made sure that their precious children were kept safe and in an environment where learning about Jesus was the focus. Because of Tori's unique gifting and talents, we're certain that she will quickly find new ministry opportunities, or they will soon find her! Tori will be missed, but has also been offered continued compensation from SBC to provide the resources she will need to find the next great thing God has in mind for her.

THE FOLLOWING PEOPLE WILL BECOME SBC EMPLOYEES, BUT WILL BE TRANSFERRED TO THE SHEA CAMPUS OF SBC TO WORK WITH COLLABORATIVE TEAMS THERE:

Marie Cuomo, Graphic Designer

Marie has been a tireless and gifted designer of the NRCC brand for many years, and her skills and talents will be a wonderful addition to the SBC team! In her revised role, Marie will join the Communications Team at SBC Shea Campus where she will work collaboratively with the team to design, create and launch SBC's programs and services in the best possible way. With 30 years of graphic design experience, she will be a great blessing to the SBC team!

Whitney Mead, Video Producer

One of NRCC's newest employees, Whitney has quickly become a treasured member of the team. With her background in Broadcast Production and Film Editing, she will surely add great value to the SBC team as she joins our two other full-time video production staff members. Whitney will transfer to the SBC Shea campus for her new role.

ALL HOURLY FACILITY STAFF WILL BE RETAINED IF THEY DECIDE THEY WISH TO CONTINUE WITH SBC.
