3 Ways to Engage at SBC

GET GOD

As we grow in understanding of God and His Word, our relationship with Him deepens. Gathering with others for worship allows us to joyfully respond to Him with gratitude for what He has done in our lives.

GET REAL

It's easy to feel anonymous in a large church. Getting connected in a Life Group is the key to being cared for and known. As we share our stories in an authentic way, we're able to grow and live out our faith in everyday life.

GET OUT THERE

Serving others and sharing your faith relationally are great ways to meet new people and make a difference. Whatever your interests and talents, there's a place for you to impact the lives of others.

GET GOD

SBC is one church in multiple locations. Attending one of our worship services each week will help you grow in your understanding of God through dynamic Bible teaching with real-life application. Our services feature a range of music styles to inspire your personal expression of worship.

Most Sundays, each of our locations receives a live stream broadcast of the message from the Shea Campus Worship Center. Each of our communities has their own campus pastor, worship pastor and ministry staff. Each location offers a unique place where you can grow in relationship with God and others.

GET REAL

The best way to feel connected and live out what you're discovering in church is to gather frequently with a smaller group of friends who will walk alongside you in your spiritual journey.

Groups meet in homes all over the Valley and at each of our campuses. Join others to explore how the Bible applies to every area of life – your career, family, marriage, finances, personal growth, and more. To learn about available groups, visit scottsdalebible.com/groups. We have groups and classes for men, women, couples and singles.

LIFE GROUPS

These are groups of 20 or fewer people that primarily meet in homes with the purpose of sharing life together to Get God, Get Real and Get Out There.

COMMUNITY GROUPS

These larger groups meet primarily on our campuses and represent various seasons of life. They learn and grow together, while focusing on relationships and service.

CLASSES

Classes provide an environment that balances teaching and interaction to help you apply the Bible and take steps in spiritual development. Let us help you find one that's right for you!

One of the best ways to experience community and grow in your faith is to get involved in helping others and sharing what God has done in your life. He designed us to live a life of significance and purpose. Serving at SBC and beyond our walls is a great way to find out what that means for you.

Impacting Lives in

Since 2004, people from SBC have been sharing Christ's transformational power with two African communities through compassionate care and quality education.

More than 1,200 children are being educated in the two schools we started and developed in Mairowa and Kondoa, and in secondary and post-secondary schools.

Through child sponsorship and project initiatives, God is bringing vast improvements to the development and welfare of these villages.

The children are thriving in an environment where they receive an excellent education, food, clothing, healthcare, and clean water. They are also learning from the Bible and discovering Jesus' love for them.

Each year, 70-90 students graduate from the two schools and the majority continue on to secondary school. God is transforming lives in Tanzania, one child at a time.
