Elastic	22"	22 1/2"	23"	23 1/2"	24 1/2"	25"	26"	27"	28"	29"

1. Cut out fabric. Belt is 2 1/2" in width + same length as skirt

Width. Cut 2

2. Center Seam: Measure 3/4" from top. Stitch 3/4" Back. Skip 1". Backstitch. Sew remainder of seam. This forms the casing for elastic or tie belt. Add pockets of pre-pressing seam and turning right side out.

3. Casing: Turn and press top edge 1/4"

Measure 2" and fold over. Press. Pin and stitch A all the way around. Measure 1" from the top edge. Pin and stitch.

4. Hem: Turn and press bottom edge 1/4". Measure 2". Fold and press. Stitch.

5. Measure elastic and pull through casing. Overlap ends of elastic and stitch. Ease casing over elastic. The belt can also be used inside casing instead of elastic.

6. Belt: With right side facing, stitch 2 belt pieces at one end. Press seam. Fold with right sides facing, Press. Stitch one end. Turn corner and stitch length of belt. Turn right side. Press. Turn in other end to finish. stitch and press.

Stitch center of belt to center back of skirt. You can also make belt loops on sides
