

Congratulations

Congratulations on your upcoming marriage!
We would love to celebrate this special occasion
with you at SBC.

If you choose to have your wedding at SBC,
we will assign one of our talented Wedding
Coordinators to help guide you through the
process from start to finish. If you have any
questions, please don't hesitate to contact
us at **weddings@scottsdalebible.com**
or **480.824.7238**

In addition to making our facilities available, we're committed to providing a biblical foundation for each marriage through premarital education and counseling. We encourage all couples to participate in our Preparing for Marriage classes offered in the spring and fall. Leading up to your wedding, you will have the opportunity to meet with your officiating pastor. If your officiant is not on staff at Scottsdale Bible, please include that information in your application and our staff will contact your officiant for final approval.

Steps to Schedule Your Wedding:

1. Please complete our online wedding inquiry [here](#).
2. Once availability is confirmed, you will receive a wedding application to complete.
3. Register for our Preparing for Marriage class or discuss premarital counseling options with SBC marriage staff. See upcoming class dates and register [here](#).
4. SBC staff will contact you to schedule a meeting before your application is approved.
5. Once your wedding is approved, a wedding coordinator will be assigned to work with you through your wedding day.
