This season, we celebrate the **GOOD NEWS** of **GREAT JOY** for **ALL PEOPLE** that SBC is bringing to our Valley and beyond.

Behold! I bring you good news of great joy that will be for all people. – Luke 2:10b

A LETTER FROM PASTOR JAMIE

# GOOD NEWS, GREAT JOY, ALL PEOPLE

Dear friend,

I always look forward to this season and the opportunity to review and celebrate what God is doing in and through His people at SBC. As we conclude our 61st year as a church, we have many reasons to praise and thank Him.

In this report, you'll see some highlights of our year as well as testimonies from many who have grown in their love for Jesus, experienced restoration and hope, or found purpose and joy in serving. You will also see how your gifts are being used to meet tangible needs, care for children and families, strengthen the local Church, and carry the gospel to all nations.

Each of the numbers we've shared in these pages represents a person whose life was impacted by God because you selflessly invited, shared, gave, or served others in Christ's name.

As we begin a new year with confidence in God's plans for our future, please pray that we will continue to be led by His Spirit and ready to respond to His voice as He uses us to advance His Kingdom.

I hope you will rejoice in the good news of God's grace in Christ and find great joy as you join us in carrying the Gospel to all people.

YOUR PASTOR AND FRIEND,

**JAMIE RASMUSSEN**

In 2023, God's gathered church at SBC continued to thrive spiritually, relationally, and in reaching people beyond our walls. God is moving in lives at all four of our campuses as we share the **GOOD NEWS** of the gospel, experience the **GREAT JOY** of growing in authentic community, and carry the hope of Jesus to **ALL PEOPLE** in our communities and around the world.

WERE BAPTIZED  
TO AFFIRM THEIR  
SALVATION

I was living a spiritually bankrupt life and my deceitful and addictive ways destroyed my family and marriage. After years of conviction of the lie I had been living, I confessed my sins and surrendered my life to Christ, accepting all the consequences that would follow. My life is now filled with grace, hope, and holiness. I was baptized this year because I'm now a new person and want to show others my gratitude for Jesus, my Lord and Savior.

# A CHURCH... FOR THE VALLEY

Our second year of this church-wide vision to make a Kingdom impact across our Valley saw amazing fruit. We furthered God's work in three key areas: bringing hope and help to foster children and families, assisting likeminded local churches, and opening campuses in neighborhoods where our people live and work.

### FOSTER CARE

- **50** new families expressed interest in fostering; **25** families began the process.
- **130 families** participated in SBC's Foster, Kinship & Adoptive Family Support Group, Parents Night Out, Resource Luncheon, and Prayer Gathering.
- **9 nonprofit partners** participated in a Fall Foster Care Fair and hundreds signed up to volunteer.
- **100+ volunteers** participated in Royal Family Kids Camp (RFKC) – a camp we host for kids in foster care.
- **75 RFKC foster children** were given a birthday party at camp with gifts donated by kids at SBC's VBS.
- **1,170** foster children and families received gifts and enjoyed a Christmas event or meal.
- Through CarePortal, SBC families served **225 children** and met **85 different needs** in 2023 with a **\$98,000 economic impact**.

|| It is amazing to see how many people we have in our corner; I never knew there were so many people who care.

– FAMILY MEMBER SERVED

### GIGI'S COTTAGE

- **24 girls** experienced a safe Christian home in a family setting where they are empowered to fulfill their God-given purpose.
- **32 volunteers** provided 100+ meals through the Weekly Meal Team.
- **97 volunteers** brought gifts and décor to provide birthday parties for the girls.
- **Five community** partners provided mentors, summer camp, and other care.
- **Two girls** started attending ASU; one girl lives and works at Thrive AZ. Others are succeeding in high school and career training.

|| Gigi's Cottage is the most loving and stable home I have ever lived in. I never once felt disposable. I always felt very loved, cared for, and nurtured by people who are a radiant beam of love and light.

– ANYA, NEW ASU STUDENT THIS FALL

### FUTURE SBC CAMPUSES

A third goal of For the Valley is to open campuses in communities where our people live so they can invite their neighbors. As we meet with local pastors and teams, visit available locations, and investigate opportunities, we are asking God for His direction and timing as we plan and prepare for our next SBC campus.

### CHURCH PARTNERSHIPS

- Since launching For the Valley in 2022, we have engaged with **35 churches** and financially supported **20**.
- The church engagement team is currently meeting with the third round of churches to determine needs.
- Of the **\$3 million** allocated to supporting local churches, **\$1.5 million** has been given so far.
- **73%** of funds were used for buildings, facilities and equipment; **26%** for staffing needs; and **1%** for programming and events.
- All the funds are furthering the efforts of our local brothers and sisters to build God's Church.

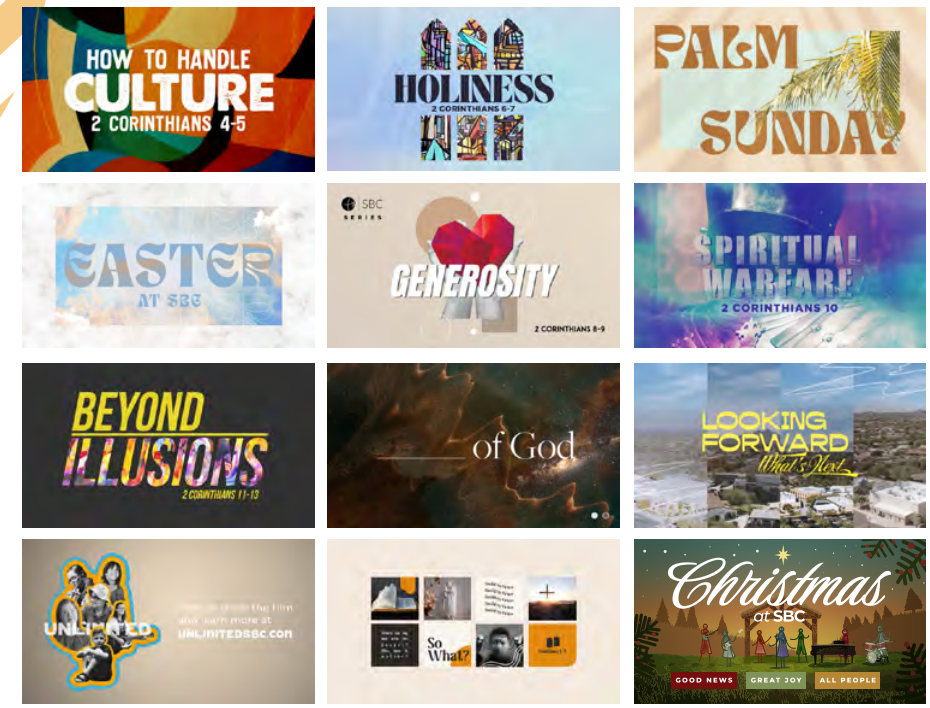

|| We're so grateful for the financial gift toward our goal of a permanent church home, but also for the relationship building along the way. SBC has given us a sense of partnership in the gospel, encouragement in our work, and other invaluable non-financial resources. We are in awe of God's generosity, expressed by the kindness of SBC, and we are grateful for the kind of leadership vision that can look outside the walls of your own congregation with a heart to serve others and make an even wider impact.

# ENGAGING OUR COMMUNITY ONLINE

|| This year, we've experienced ||  
 a virtual small group, multiple  
 online classes, an opportunity  
 to serve, and even a face-to-  
 face visit with a couple from  
 our small group who were  
 visiting the area. After 13 years  
 of one directional church life,  
 we're now experiencing that  
 badly needed relational aspect  
 of church life. Thank you for  
 providing the means for us to  
 enjoy the full depth of the SBC  
 experience online.

Our Special Needs community was highlighted in a 27-minute documentary shared in our September worship services and online. You can watch it again at [UnlimitedSBC.com](https://UnlimitedSBC.com)

|| As it became clear that all five of our kids had special needs and were not tolerating regular Sunday school or any other social environments, our family pulled back and stopped engaging in anything that wasn't absolutely necessary. The Discovery Kids Unlimited program has restored our connection to the community. I thank God for the buddies who have helped our kids feel safe and grow in confidence. Our whole family counts the days until Sunday!

– REBEKAH WORTZMAN

|| Our hearts are heavy to see our Cave Creek neighbors meet and share the joy of Jesus. We started a Life Group this year, and many are becoming excited about their newfound understanding of God and His involvement in their lives.

– GENO AND SUE MEOLA

|| I'm an introvert, so my default is to avoid speaking up with people I don't know or feel safe with. After starting to attend SBC in February, God kept nudging me to attend Connecting Point. When I finally did in August, I felt so welcomed and knew I was at home. At the event, God again nudged me to sign up for Rooted. Although I was nervous to share with strangers at first, I felt an overwhelming sense of being loved, cared for, encouraged, and safe. Rooted took me deeper and is helping me evolve from where I was to where I want to go!

|| A week after moving to Arizona from Ohio, I received a flyer for the SBC Women's Retreat. Immediately, I felt the Lord nudge my heart to sign up. I needed to step out of my comfort zone, and attending a retreat by myself would do just that. I sold my tickets to the Taylor Swift concert and headed up to Lost Canyon. Little did I know the retreat would bring new friends, spiritual and emotional growth, and a fun solo karaoke opportunity! I'm so grateful I went to the retreat, and I am thankful for all the ways to connect with SBC women!

VOLUNTEER TASKS WERE COMPLETED  
TO MAKE A KINGDOM IMPACT!

In 2023, we elevated the importance of engaging the Body of Christ in the work of the church! This led to creating new roles and opportunities to give members with leadership and management strengths ways to step up and use their gifts and talents in a deeper way.

Through this effort, now led by Jessica Neill, we are praying for open conversations with people like you who have been granted spiritual gifts to edify the Church. We look forward to challenging one another to sacrifice time and energy for this purpose as we continually become the church God has called us to be!

My husband and I enjoyed serving separately in the men's and women's ministries but felt drawn to serve together. The First Impressions team provided the perfect opportunity, and it's grown our marriage as we look forward to the special time of serving together each week.

Nancy Godwin is one of our sponsored students who grew up in Mairowa, a primitive, low-income Maasai village. After doing well and graduating from primary school, she went on to secondary boarding school. Although

her performance in Form One was average, she had a dream to become the top student in her class. By Form Three, she achieved her goal and maintained her position as the top student in her class throughout Form Four (comparable to senior year in high school). Nancy just graduated from Saint Peter Claver and was awarded seven certificates for being the best student in seven subjects, shocking everyone with her achievements. She was named the best student in Mathematics, Biology, Physics, Geography, Chemistry, English and Kiswahili!

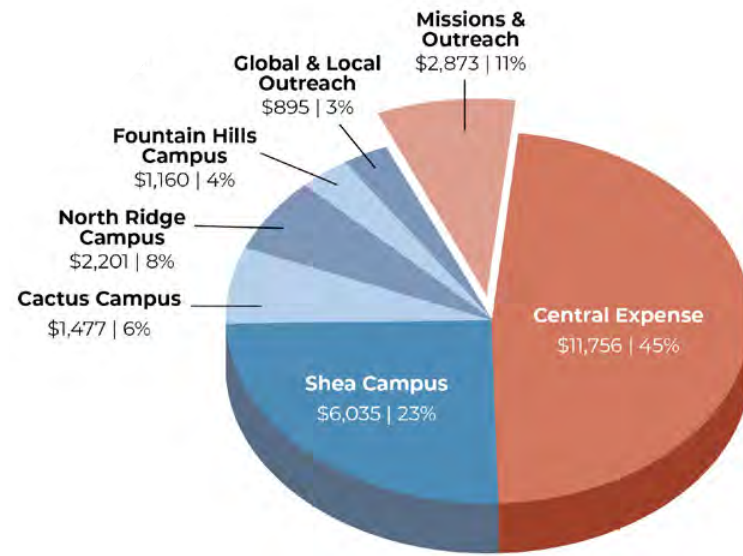

Nancy is now working hard toward her dream of becoming a kidney surgeon! She encourages her fellow students to work hard, depend on God, and believe that anything is possible. She is grateful to God, her sponsor, Ereto, and SBC for their support and encouragement throughout her academic journey!
