

Pursuit Information Meeting

Pursuit is an 18-month discipleship program designed to stir and awaken women to the fullness offered to them in Christ and the profound call that is on their lives as His disciples. The goal is to bring discipleship back into the forefront by embracing a lifestyle of *Pursuit*: pursuing God, pursuing His Word, pursuing others, and pursuing a life of discipleship.

***Pursuit* is broken up into 3 semesters**

- Heart of a Disciple (Fall 24)
- The Mission of the Disciple (Spring 25)
- The Life of the Disciple (Fall 25)

***Pursuit* is built on 3 building blocks:**

Discipleship Groups

- You will be placed into a discipleship group.
- You can come with a group or be placed into a group
- Groups can be small or large, but when placed groups will typically be around 4-5 ladies
- These groups are designed to meet in a coffee shop or a home as desired by the group and serve as a place to encounter discipleship as we study it.

Reading Plan

- *Pursuit* offers a customized Bible reading plan that carries you through reading the entire Bible throughout the 18months program
- This is designed to serve as a platform for creating a regular rhythm for your personal quiet times with the Lord.
- The goal of the readings is to draw you in relationally with God.

Doctrine Teachings

- We will meet as a large group once a month for doctrine teachings taught by Seminary Professors.
- These larger gatherings will typically fall on the 3rd Saturday of the month from 7-9am at the Shea SBC Campus in the Venue Building with a few exceptions around holidays and over the summer.
- At these sessions, you will be taught essential doctrines of the Christian faith as well as have time to ask the professors your questions.
- For those who are interested, completing *Pursuit* will offer you a 3-hour credit to Dallas Theological Seminary.

Note there are many more growth options available for those we are desiring even more
